**Hull's Charity Memorial Golf Outing Raises \$20,000
for Nationwide Children's Hospital**

DUBLIN, Ohio — Hull & Associates, Inc., an industry leader in engineering, energy and environmental consulting, presented a check totaling \$20,000 to Nationwide Children's Hospital before kicking off its 10th annual Charity Memorial Golf Outing today at Tartan Fields Golf Club in Dublin.

Hull sponsors the annual golf outing during Memorial Tournament week with proceeds from the event, raised through individual and corporate donations, benefiting Kinder Key at Nationwide Children's Hospital. With the help of 47 sponsors and 120 golfers, Hull raised \$20,000 in contributions for this year's event.

"It is an honor for us to support Nationwide Children's Hospital and the outstanding work of Kinder Key," said Hull CEO Craig A. Kasper. "Thanks to the generosity of our employees, clients and friends, we've been able to raise more than \$80,000 for Nationwide Children's Hospital over the past 10 years with our annual golf outing and through Hull's Giving Back program. 'Giving Back' is an extremely valued and important part of our company's culture and we know the funds raised from today's event will directly benefit children and families right here in our community."

Kinder Key volunteers are dedicated to supporting the Nationwide Children's Hospital Heart Center. The Heart Center is one of the largest and most sophisticated cardiac care centers in the United States, able to treat both children and adults with congenital heart disease using the most advanced technology available. Since their inception in 1954, Kinder Key has raised over \$2 million for the lifesaving work which takes place at the Heart Center every day. Kinder Key volunteers donate their time through sponsored events, including the annual "Day of Hearts" reception to reunite doctors, nurses and therapists with patients and their families; the annual "Denim & Diamonds" fund-raiser gala; a collectible angel sale and holiday caroling drive; as well as volunteering each year at The Memorial Tournament.

"The women of Kinder Key are honored to once again be chosen as the recipient of Hull & Associates' annual charity outing," said Kinder Key representative Kimberly Miller. "Their yearly contribution to our cause has made a difference to the youngest of patients and their families, and underscores the dedication those within the Central Ohio community have toward not only the Heart Center, but to Nationwide Children's Hospital."
